

# 5th CRI-CIMT-EATI-AACR International Cancer Immunotherapy Conference

TRANSLATING SCIENCE INTO SURVIVAL

Espace Grande Arche  
Paris, France  
September 25th to 28th, 2019

## SPONSORSHIP & EXHIBITION OPPORTUNITIES

## ABOUT THE MEETING

The 2019 meeting will take place at the Espace Grande Arche in Paris, September 25 to 28, 2019. The program will focus on “Translating Science into Survival” and feature talks from more than 50 leaders in the field covering all areas of inquiry in cancer immunology and immunotherapy, including: regulating T cells and their response to cancer, tumor microenvironment, genetically engineered T cells, maintenance of immune balance, novel vaccine platforms and combinations, mutational analysis and predicting response to immunotherapy, convergence of technology and cancer immunotherapy, and microbiome and metabolism. This meeting will provide an unparalleled opportunity for teaching, learning, and networking among all stakeholders in the field: scientists, clinicians, regulators, drug developers, and patient advocates.

## ABOUT THE ORGANIZERS

The European Academy of Tumor Immunology (EATI) promotes tumor immunology at the scientific and clinical levels, in all areas of tumor immunology. EATI is considered a continuum spanning fundamental, translational, and clinical research as well as the practical implementation of diagnostic and therapeutic procedures in routine clinical practice. Through its work, EATI provides independent, authoritative, and evidence-based advice to underpin policy for stimulating the implementation of concepts, methods, and procedures inspired by tumor immunology.

Cancer Research Institute (CRI), founded in 1953 to foster the science of cancer immunology, is the world's leading nonprofit dedicated exclusively to saving more lives by fueling the discovery and development of powerful immunotherapies for all types of cancer. CRI funds the most innovative clinical and laboratory research around the world, supports the next generation of the field's leaders, and serves as the trusted source of information on immunotherapy for cancer patients and their caregivers.

The Association for Cancer Immunotherapy (CIMT) is a members-based information and education platform that facilitates the knowledge exchange between academic and industry scientists, physicians, and regulatory authorities who research and develop cancer immunotherapies. CIMT was founded in 2002 by physicians and researchers from different fields of clinical and theoretical medicine as an independent non-profit organization.

The American Association for Cancer Research (AACR) is the first and largest scientific organization in the world focused on every aspect of high-quality, innovative cancer research. Its reputation for scientific breadth and excellence attract the premier researchers in the field. The programs and services of the AACR foster the exchange of knowledge and new ideas among scientists dedicated to cancer research, provide training opportunities for the next generation of cancer researchers, and increase public understanding of cancer.

The mission of the AACR is to prevent and cure cancer through research, education, communication, and collaboration. Through its programs and services, the AACR fosters research in cancer and related biomedical science; accelerates the dissemination of new research findings among scientists and others dedicated to the conquest of cancer; promotes science education and training; and advances the understanding of cancer etiology, prevention, diagnosis, and treatment throughout the world.

### FIFTH INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE - Paris 2019

Dear Sir/Madam,

We are writing you this letter to request your support of the **FIFTH INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE** to be held in Paris, at the Espace Grande Arche, France, September 25-28, 2019.

The European Academy of Tumor Immunology (EATI), the Cancer Research Institute (CRI), the Association for Cancer Immunotherapy (CIMT), and the American Association for Cancer Research (AACR) are proud to join forces once again to organize the Fifth International Cancer Immunotherapy Conference.

The program will focus on “Translating Science into Survival” and feature talks from more than 50 leaders in the field covering all areas of inquiry in cancer immunology and immunotherapy.

This meeting will provide an unparalleled opportunity for teaching, learning, and networking among all stakeholders in the field: scientists, clinicians, regulators, drug developers, and patient advocates.

We invite you to support this meeting by the way of various support levels: Diamond, Platinum, Gold, and Silver, and additional opportunities (support the meeting application, the poster and exhibit, and the satellite symposia...).

Best regards,  
Dr. Guido Kroemer  
President of EATI

## ABOUT THE CITY

### Welcome to Paris

Paris' monument-lined boulevards, museums, classical bistros and boutiques are enhanced by a new wave of multimedia galleries, creative wine bars, design shops and tech start-ups.

### Iconic Architecture

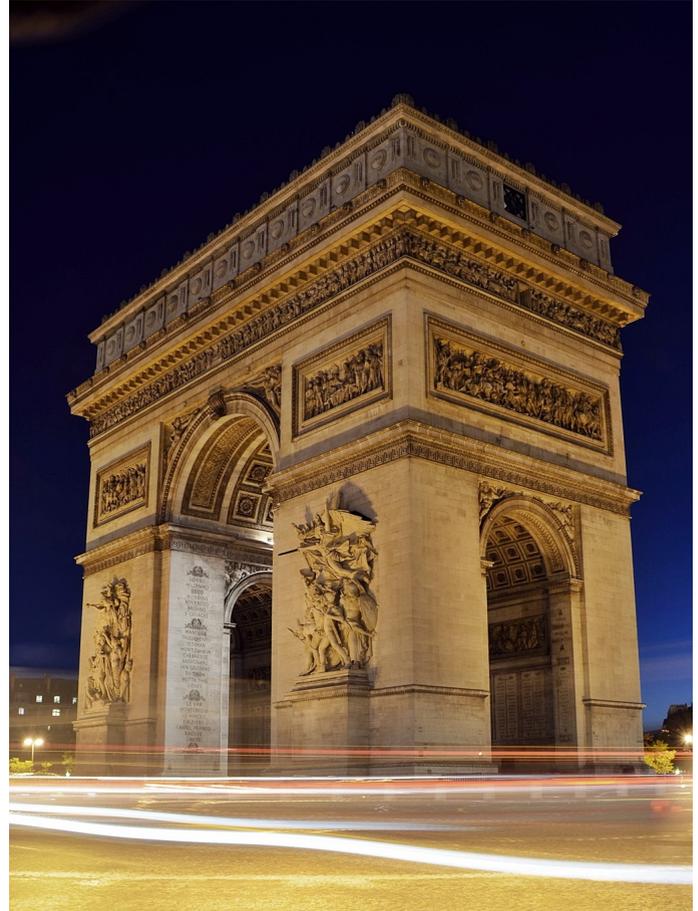

The cloud-piercing, wrought-iron Eiffel Tower, broad Arc de Triomphe guarding the glamorous avenue des Champs-Élysées, gargoyled Notre Dame cathedral, lamplit bridges spanning the Seine and art nouveau cafes' wicker-chair-lined terraces are enduring Parisian emblems. Despite initial appearances, however, Paris' cityscape isn't static: there are some stunning modern and contemporary icons, too, from the inside-out, industrial-style Centre Pompidou to the mur végétal (vertical garden) gracing the Musée du Quai Branly, the glass sails of the Fondation Louis Vuitton contemporary-art centre, and the gleaming steel egg-shaped concert venue La Seine Musicale.

### Glorious Food

France's reputation for its cuisine precedes it, and whether you seek a cosy neighbourhood bistro or a triple-Michelin-starred temple to gastronomy, you'll find that every establishment prides itself on exquisite preparation and presentation of quality produce, invariably served with wine. Enticing patisseries, boulangeries (bakeries), fromageries (cheese shops) and crowded, colourful street markets are perfect for putting together a picnic to take to the city's beautiful parks and gardens. A host of culinary courses - held anywhere from home kitchens to the world's most prestigious cookery schools - offers instruction for all schedules, abilities and budgets.

### Stylish Shopping

The word 'Parisian' is synonymous with style and fashion shopping is the city's forte. Paris remains at the forefront of international trends, and browsing emerging and established designer boutiques and flagship haute couture houses is a quintessential part of any visit. You'll also find hip concept and homewares shops, and resplendent art nouveau department stores, along with a

trove of vintage shops and flea markets, atmospheric bookshops and dark-green bouquiniste stalls stocking secondhand titles along the riverbanks, adorable children's wear and toy shops, art and antique dealers, venerable establishments selling professional cookware, and, of course, gourmet-food and wine shops galore.

### Artistic Treasures

With an illustrious artistic pedigree - Renoir, Rodin, Picasso, Monet, Manet, Dalí and Van Gogh are but a few of the masters who have lived and worked here over the years - Paris is one of the world's great art repositories, harbouring treasures from antiquity onwards. In addition to big hitters like the incomparable Louvre, the Musée d'Orsay's exceptional impressionist collection, and the Centre Pompidou's cache of modern and contemporary art, scores of smaller museums showcase every imaginable genre, a diverse range of venues mount major exhibitions through to offbeat installations, and there's also the city's vibrant street art.

# GENERAL TERMS AND CONDITIONS

The following General Terms and Conditions have been established by the FIFTH INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE Congress Secretariat, SUD CONGRES CONSEIL, to set out rights and obligations of the « partner » towards the Congress Secretariat and vice versa.

## 1. Preamble

The FIFTH INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE will be held in Paris, France, at the Espace Grande Arche, 25-28 September 2019.

## 2. Agreement

By submitting the order form incorporating these terms by reference, the Partner accepts General Terms and Conditions, conditions contained in the Sponsorship and Exhibition Brochure. Only fully completed, signed and stamped order forms will be taken into consideration. Confirmation, in writing of the allocation of a Sponsorship/Exhibition constitutes the establishment of an agreement between the Partner and the Congress Secretariat. For the avoidance of doubt, the Congress Secretariat reserves the right to refuse any application without further explanation.

This Agreement contains the entire understanding between the parties with respect to the Event sponsorship/exhibition benefits and obligations and supersedes all prior oral and written understandings, arrangements and agreements between the parties. Applications will be processed in order of receipt. Exclusive sponsorship items and exhibition space will be allocated on a first come, first served basis. The Congress Secretariat reserves the right to rearrange the floorplan and/or relocate any exhibit without notice.

## 3. Participation

To become a sponsor, all sponsors must complete, sign, stamp, and send the application form by email or post to :  
SUD CONGRES CONSEIL 162 Cours du Maréchal Gallieni ,33400 Talence, FRANCE  
Email: [sponsors-paris2019@sudcongresconseil.com](mailto:sponsors-paris2019@sudcongresconseil.com)

All applications will be submitted to the Organizing Committee, which will decide on the applications. The Organizer reserves the right to refuse any request for sponsorship to any company or organization whose activities are not related to the general theme of the event.

## 4. Payment terms

The Partner shall pay the Congress Secretariat, the total amount invoiced by wire transfer to the bank account specified earlier. All invoices must be paid in full by the Company upon booking including application fees. The payment will be made to Sud Congres Conseil on behalf of the European Academy of Tumor Immunology (EATI). Any payment must also mention: "Invoice No - Sponsorship company name".

French VAT(20%) is not applicable to the listed prices. All rates are payable in Euro. Any bank fees incurred must be paid by the Partner.

If the Partner fails to make the payment within the time and manner referred to above, the Congress Secretariat may, in writing, cancel the partnership.

## 6. Invoice

Upon receipt of the signed sponsoring form and after acceptance by the Organizing Committee, an invoice will be sent to the sponsor for payment.

## 7. Cancellation

Any cancellation must be made in writing and sent by post to Sud Congrès Conseil, 162 Cours du Maréchal Gallieni, 33400 Talence, FRANCE. In case of cancellation, no refund will be made.

## 8. Force majeure

In case of force majeure, the dates and / or place of the FIFTH INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE may be modified or the event canceled.

In case of cancellation of the event, the sums received will be reversed to the sponsors.

## 9. Insurance

It shall be the responsibility of each exhibitor to maintain such insurance against injury to person or theft, fire damage or loss of property in such amounts as the exhibitor shall deem adequate. Neither the FIFTH INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE, nor the Conference Venue will offer the exhibitor any kind of insurance protection.

## 10. Security

The safekeeping of the exhibitor's property is the responsibility of each exhibitor. Exhibitors are advised to add on their existing insurance protection against loss/damage to their materials by fire, theft and accident.
